about me:

I'm avto, a soon-to-be graduate from Caucasus University, specializing in software development. With a strong foundation in programming languages and problem-solving, I'm ready to embark on a software engineering career. I'm passionate about innovation and thrive in collaborative environments.

I'm eager to join a forward-thinking organization and contribute to its success as a dedicated software engineer. Let's connect and explore how I can be a valuable asset to your team.
